Join us as a vendor in St. Clair, Missouri for a spectacular weekend of hunting, fishing, camping and other outdoor presentations on March 25-27, 2011 as the Franklin County Baptist Association will once again present the Truth and the Outdoors wildlife expo to an estimated 10,000 plus visitors!!

This **FREE** family friendly event has become one of the area's favorite wildlife expos and has now been extended to a three day event. The Expo will now be open from 3 p.m. to 9 p.m. on Friday and from 9 a.m. to 9 p.m. on Saturday and from 9 a.m. to 4 p.m. on Sunday. Expo visitors will need the entire time to look at the hundreds of vendors' booths, attend one of our many free seminars, participate in one of many competitions and try dozens of free activities, including fishing, archery, rock climbing, buck scoring and more. With something for everyone, it's a perfect event for the entire family, especially those with children and youth. We are also proud to announce, due to the attendance projected for this year's expo and the amount of entertainment and activities that are planned for this year's event; The Truth and the Outdoors has moved the expo to the St. Clair School Complex. This complex will now allow us to have over 200 **Indoor** booths compared to the 35 indoor booths that we previously had. Our outdoor vendors that display larger items such as Boats, RV's, ATV's, Etc. will also benefit from this complex being fully paved! (no dirt or mud!)

For those who think they've seen it all before, the Truth and the Outdoors Expo will have several new activities and programs this year. The 2011 Expo will feature: **Jase Robertson** from Benelli's hit TV Show "**The Duck Commander**", **The Great American Lumberjack Show**, **Grant Woods** the nation's leading deer biologist, **Brad Herndon** a nationally renowned wildlife photographer that has been featured on the covers of Bass Pro, Cabela's and National Geographic, **Ralph Duren** comedian and wildlife impersonator, **T.W. Norman** strong man and a member of Team Extreme and the **Missouri Department of Conservation**. There will also be a large selection of seminars, taught by some of the leading authorities in their respective fields. These seminars will include Deer Management, Pond Management, Food Plots, Wildlife Photography, Fly-fishing, Dutch Oven Cooking, plus much, much more. Truth and the Outdoors will also be presenting a 3D archery shoot, a 3D pop up shoot, a NWTf sanctioned turkey calling competition, along with free music, monster truck displays, helicopter display, and a great selection of fabulous food. The Truth and the Outdoors is continually looking for and adding new and exciting entertainment and activities that draw outdoorsmen from miles around.

As always, we will have a large selection of activities that kids will be able to participate in and new activities are always being added. These activities include BB Gun shoots, Bow shooting, Turkey Calling, Appearances by Smokey the Bear, Eddy the Eagle, and others, Tracking Animals, Mino Drag Racing, Rock Climbing, Camo Contest, Bird House Building, Sail Boat Racing, Grass Bass Fishing, plus many educational demonstrations from the Rocky Mountain Foundation, National Wild Turkey Federation, The Department of Conservation and others.
